Rationale for Proposed Boundary Changes: No changes are proposed. Janney is over capacity but six additional classrooms are being added in 2014 which should help alleviate over-crowding. Due to the location of the school within its boundary it is difficult to relieve pressure without compromising walkability.

Proposed Geographic Destination Feeder Schools (Feeder Pathway): Anyone living in the proposed new boundary for Janney ES is zoned for and has a right to attend Deal MS and Wilson HS. Any student attending the school out-of-boundary has the right to continue in the feeder pattern to Deal. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

Proposed Programmatic Destination School (Feeder Pathway): No programmatic feeder pattern proposed.
